SUMMARY

- **Full Stack Developer** with **1.5+ years of hands-on experience** in **React, JavaScript, Node.js,** and **MySQL,** along with **experience** in **AWS, delivering responsive** and **dynamic user interfaces.**
- Expertise in **RESTful API development**, efficiently handling **data storage** and **retrieval** using **AWS RDS** and other relational databases.
- **AWS Expert**, skilled in **Lambda**, **API Gateway**, **DynamoDB**, and **IoT Core**, ensuring **real-time data streaming** and **efficient backend workflows** for high-demand environments.
- Demonstrated ability to **optimize performance** for **high-traffic applications**, focusing on **reliability** and **scalability**.

EXPERIENCE

Full Stack Developer
Newtrace   📅 04/2024 - Present   📍 Bangalore, India

- Worked as a Full Stack Developer at **Newtrace**, leveraging **ReactJS** for building dynamic user interfaces.
- Utilized **AWS services** for backend processes, including handling **IoT Core** data with **Lambda functions** and **WebSocket APIs**.
- Displayed **real-time data** and plotted interactive graphs such as **line charts**, **XY charts**, and **bar charts**.
- Stored **historical data** in **AWS RDS**, retrieved it via **REST APIs**, and visualized it using the lightweight **TradingView charts library**.

Intern-growth
SuperBottoms   📅 10/2023 - 12/2023   📍 Work from Home

- **Successfully managed** website operations for **SuperBottoms**, optimizing **user experience**, and increasing **website traffic** by **30%**.
- Implemented strategic **SEO tactics**, resulting in a higher **search engine ranking** and improved **organic visibility**.
- Managed **product listings**, added **new products**, adding **banners**, and provided **sell-out options**.

Full Stack Developer Intern
Kursor   📅 04/2023 - 07/2023   📍 Work from Home

- **Developed** the **Kursor** website using **ReactJS.**
- **Built** a **robust** and **user-friendly website**, enhancing overall **user experience**.
- Created an innovative **browser extension** integrating advanced **AI models**: **ChatGPT**, **Bing**, and **BARD**.
- Enabled users to use the extension for **text summarization**, **grammar checks**, and **translation**.

EDUCATION

B.E. - Information Technology
Savitribai Phule Pune University
📅 05/2020 - 05/2024   📍 Pune, Maharashtra, India

GPA
8.62 / 10

CERTIFICATION

HTML, CSS, and Javascript for Web Developers
https://coursera.org/share/b55a46e67 0b25ec1621145d8a8290732

Developing Front-End App With React
https://coursera.org/share/b9a33a1d7 61531292f3ec40418056221

SKILLS

React   JavaScript   NodeJS   MySQL

Amazon Web Services   Next.js   Redux

REST API   TailwindCSS   Express   Git

PostgreSQL   HTML   CSS

PROJECTS

Doctor Appointment Booking App
🔗 https://doctor-appointment-nextjs.vercel.app/

- Developed a **doctor appointment app** using **Next.js**, **React.js**, **Strapi**, and **Tailwind CSS**, with **calendar** and **time slot options**.
- Configured **Strapi CMS**, used **RestAPI** for **data management**, and integrated **Kind authentication** for secure logins.
- Added features like **appointment cancellation**, **appointment history**, and **email confirmations** for bookings.

Car Show Case
🔗 https://nextjs-cars-showcase-rouge.vercel.app/

- Developed an innovative **Car-Showcase app** using **Next.js**, optimizing performance for **car model identification**.
- Implemented a **responsive design** for seamless **user experience** across devices with easy **navigation** and **search**.
- **navigation** and **search**.Focused on creating **user-friendly interfaces** to enhance **user satisfaction**.

Portfolio Website
🔗 https://chetan-bargal-portfolio.vercel.app/

- Designed and developed a **responsive portfolio website** using **React.js** and **CSS**, showcasing **personal information**, **projects**, and **professional experience**.
- Implemented **reusable components** for **About Me**, **Projects**, and **Experience** sections, ensuring consistent **styling** and **functionality**.
- Focused on a seamless **user experience** with a clean, **modern design**.
